

EXPORT COMPLIANCE STATEMENT

Dear Valued Customer:

The commercial aviation commodities purchased by STS Component Solutions LLC (“STS”) and the supporting technical data are subject to the United States Government’s Export Administration Regulations (“EAR”) or the International Traffic in Arms Regulations (“ITAR”), and to regulations enforced by the U.S. Treasury Department’s Office of Foreign Assets Control (“OFAC”).

STS Component Solutions LLC confirms that in the event it will sell, resell, license, transfer, export or re-export any commodity purchased in any manner, to any person, to any country, or for any use, STS will do so only in full compliance with the laws and regulations of the United States Department of State, Department of Commerce and Department of the Treasury, including but not limited to the Arms Export Control Act, Export Administration Act, Foreign Corrupt Practices Act, Anti-Boycott Law, and their implementing regulations, including regulations enforced by the U.S. Treasury Department’s Office of Foreign Assets Control (“OFAC”). STS also confirms that the commodities and technical data acquired will not be used for any purpose connected with chemical, biological, or nuclear weapons, or missiles capable of delivering such weapons, nor will they be resold if it is known or suspected that the commodities or technical data are intended or likely to be used for such purpose.

STS acknowledges that it will be responsible for any violation of the foregoing.
